angry detached big let down smart senseless robbed missed tailgating deprived
remove restrictions cheer not the same tough times awful isolated miserable quiet
empty family and friends ruined the atmosphere real college experience want to be back stressful
felt disconnected sad NO SPORTS i just want to go heartbreaking disappointing
absolute tragedy concerns DURING THE PANDEMIC? unfortunate distant
get on with life missing out no socializing depressing it sucks rather people be safe it's been too long
gloomy ridiculous mad lets move on frustrating social distancing back to normalcy quit being scared
tragic unfair go back to normal depressed missed memories boring unfair want to enjoy college safe
political miserable heartache

The survey question asked 18-23 year olds to share feelings and thoughts about not having sports during the pandemic. 653 people offered a response.
